Using Your Rutgers NetID To Access CITI Program Online Training Website

Advantages of Using Rutgers NetID

Rutgers Single Sign On (SSO) is a secure process that allows you to access the CITI Program with your Rutgers NetID and password, the same single username and password that you currently use for other Rutgers applications. Rutgers SSO eliminates the burden of creating and managing separate CITI Program credentials, identifies who you are to ensure accurate tracking and reporting of training records, and facilitates more efficient research compliance reviews.

Log Into CITI: CITI Training Program Website

For New CITI Users

You may use the CITI website link provided here (https://orra.rutgers.edu/citi). Or, if you enter the https://about.citiprogram.org website directly, follow these steps: 1) Click the “Log In” button on the top right; 2) Select “LOG IN THROUGH MY INSTITUTION”; 3) Select “Rutgers- The State University of New Jersey (All Campuses); 4) Enter your Rutgers NetID Information to log in.

How to Associate your Rutgers NetID [Single Sign On (SSO)] with a Current CITI Program Account

Log into CITI with your Rutgers NetID and password.

If you already have a CITI Program account, please select I Already Have a CITI Program Account. This will allow you to associate your current CITI Program account with your SSO account.
To do so you will need to enter your old **CITI Program Username and Password** and click on the Log In button. Your CITI Program Account will now be associated to your SSO account.

If you do not have an account, select **I don’t have a CITI Program account and I need to create one.**
Click on the button **Create a New CITI Program Account** to create the account and it will automatically become associated with an SSO Rutgers account. You will now be ready to take your CITI Program courses.
