July 31st - WIRB Presentation for Rutgers University

Target Audience: IRB staff, Clinical Research Staff, PI’s, Study Coordinators, Regulatory, etc.

A WIRB representative will be on-site Tuesday, July 31st to discuss clinical trials that are sent to WIRB for review. He will cover the types of studies that Rutgers University usually sends to WIRB, the submission process, and he will provide an overview of their online submission system, Connexus. Jon Gellert (WIRB Account Manager for Rutgers) will answer any questions that you have about using WIRB or managing submissions after the presentation.

If you have specific questions, then please send them to bkhaitma@ored.rutgers.edu ahead of time so Jon can look into them prior to the presentation.
